**ORDER**

**ROBYN F. TARNOFSKY, United States Magistrate Judge:**

As discussed at the discovery conference on July 28, 2025, Yipit's motion to compel discovery (ECF 289) is **GRANTED IN PART**, in that M Science is ORDERED to promptly provide Yipit with the following information about the scope of the internal investigation: the names of employees who were interviewed, the documentary and data sources that were searched, and the search terms that were used. By providing this information, M Science does not waive the attorney client privilege, work product protections, or any other applicable privilege or protection from production. The motion is otherwise **DENIED IN PART**, without prejudice to Yipit's renewing the motion if appropriate.

The Clerk of Court is respectfully requested to terminate ECF 289.
